Human eSources Named SIIA Education Technology CODiE Award Finalist for Best College & Career Readiness Solution

FOR IMMEDIATE RELEASE

Marlborough, CT (May 3, 2018) Human eSources, an education and career software company, today announced that CollegeScope was named a 2018 SIIA CODiE Award finalist in the Best College & Career Readiness Solution category. Finalists represent applications, products and services from developers of educational software, digital content, online learning services and related technologies across the PreK-20 sector.

Highly interactive and designed to improve student engagement, goal setting, and motivation to persistence to graduation, CollegeScope can be configured as a first-year student success program or a college and career readiness curriculum. The accreditable curriculum is aligned with several national standards, based on proven pedagogy, and incorporates the latest thinking from a broad range of educators, psychologists, learning theory experts, and education and career counselors. CollegeScope is also aligned with several national standards, including the Council for the Advancement of Standards in Higher Education (CAS), Guided Pathways and CASEL for social emotional learning.

The SIIA CODiE Awards are the premier awards for the software and information industries and have been recognizing product excellence for over 30 years. The awards offer 91 categories that are organized by industry focus of education technology and business technology. CollegeScope was honored as one of 152 finalists across the 39 education technology categories.

"I am impressed by the level of innovation and creativity demonstrated by the 2018 CODiE award finalists. These products are opening doors for learners of all ages by developing and utilizing new technologies to respond to student and educator needs." said Ken Wasch, president of SIIA.

"We are so pleased to have CollegeScope recognized as an industry leader in the education software space", said Ross Dickie, Human eSources' president and COO. "People are amazed when we show them what CollegeScope does, how it works with national standards and the integration within a school's learning management system, such as Canvas and Blackboard."

The SIIA CODiE Awards are the industry's only peer-reviewed awards program. Educators and administrators serve as judges and conduct the first-round review of all education nominees. Their scores determine the SIIA CODiE Award finalists, and SIIA members then vote on the finalist products. The scores from both rounds are tabulated to select the winners.

Winners will be announced during a CODiE Award Celebration at the SIIA Annual Conference & CODiE Awards in San Francisco on June 13.

Details about each finalist are listed at http://www.siia.net/codie/Finalists
